▶ In place of a pillow, this iridescent seashell from Shell World (407-396-9000, shellworld.com) was used to carry the couple's bands, which were custom-made by a jeweler in New York.

▶ Barbara's uncle officiated the couple's beachside ceremony, and her cousin performed the vow exchange.

▶ Barbara chose a Marisa gown and accented it with a pink sash. Pictured behind the couple is their wedding banner, which was crafted by Eye Catcher Signs (305-852-3333) and affixed to a tiki hut.

▶ Daniel's two nieces were the ring bearer and flower girl. They both wore pink sashes that matched the bride's as well as floral wreaths designed by Enchanted Florist (305-664-2012).

▶ For their first dance, the couple selected Sade's "By Your Side," which was performed by a reggae band hired through EMS Entertainment (305-852-7222).

▶ The couple chose the Coconut Cove Resort and Marina (305-664-0123, coconutcove.net) in the Florida Keys for its laid-back appeal and experienced wedding-planning staff.

▶ At the end of the night, Coconut Cove put on a spectacular fireworks show for the couple and their 130 guests.
